The 'Ukulele Dec 28 2022 Since its introduction to Hawai'i in 1879, the 'ukulele has been many things: a symbol of an island paradise; a tool of political protest; an instrument central to a rich musical culture; a musical joke; a highly sought-after collectible; a cheap airport souvenir; a lucrative industry; and the product of a remarkable synthesis of western and Pacific cultures. The 'Ukulele: A History explores all of these facets, placing the instrument for the first time in a broad historical, cultural, and musical context. Drawing on a wealth of previously untapped sources, Jim Tranquada and John King tell the surprising story of how an obscure four-string folk guitar from Portugal became the national instrument of Hawai'i, of its subsequent rise and fall from international cultural phenomenon to "the Dangerfield of instruments," and of the resurgence in popularity (and respect) it is currently enjoying among musicians from Thailand to Finland. The book shows how the technologies of successive generations (recorded music, radio, television, the Internet) have played critical roles in popularizing the 'ukulele. Famous composers and entertainers (Queen Liliuokalani, Irving Berlin, Arthur Godfrey, Paul McCartney, SpongeBob SquarePants) and writers (Rudyard Kipling, Jack London, P. G. Wodehouse, Agatha Christie) wind their way through its history—as well as a host of outstanding Hawaiian musicians (Ernest Kaai, George Kia Nahaolelua, Samuel K. Kamakaia, Henry A. Peelua Bishaw). In telling the story of the 'ukulele, Tranquada

and King also present a sweeping history of modern Hawaiian music that spans more than two centuries, beginning with the introduction of western melody and harmony by missionaries to the Hawaiian music renaissance of the 1970s and 1980s.

Hidden in My Heart Scripture Memory Bible NLT Jun 22 2022 2017 ECPA Christian Book Award Finalist (Bibles category) Scripture memorization grounds kids in the faith, equips them for the future, and solidifies relationships with Christ, family, and others. The Hidden in My Heart Scripture Memory Bible was created to encourage kids not only to read God's Word but also to hide it deep within their hearts. One hundred of the Bible's core verses have been set to music by renowned children's author and song writer Stephen Elkins. The 100 songs include a variety of genres and are available in the New Living Translation, New International Version, and King James Version, and all songs are free with the purchase of the Bible. Additional interactive features encourage school-age kids to engage with the Word in every place of their life.
