and Fire, Book 5)

I've been betrayed. I spent years hiding my magic from the world, but now I've got new powers I can't control.

Everyone around me is at risk, and if my secret is revealed, I'll be hunted. But I don't have time to worry about the monster I might become. Someone has stolen a dangerous artifact that could turn my world upside down. It could get me and my friends killed and bring destruction down on my city. Is Damien Malek to blame? He's a fallen angel. Handsome and lethal. A thief and a liar. And he's betrayed me before. The heat between us keeps pulling us together, but his lies always

tear us apart. If I want answers, I will have to risk everything. My job. My magic. My life. There's a riddle to solve. An ancient city to find. A deadly genie to defeat, and a dark storm rising in the burning sands. An action-packed urban fantasy, *Dark Storm* features a rebel heroine, a dark angel hero, and slow burn romance. Dive into the mysteries of the Arabian Nights and prepare yourself for edge-of-your-seat adventure amongst the shifting sands. If you enjoyed the archaeology, history, and daring in Linsey Hall's original *Dragon's Gift* books, this adventure is for you! The 10th anniversary edition of the #1 Bestselling series. "A

breathhtaking world and an excellent epic fantasy series! This wonderful adventure reminds me of a cross between J.R.R. Tolkien, J.K. Rowling, Tad Williams, and C. S. Lewis." "Clear and simple prose. Swift, action-oriented scenes. Solidly built." --Foreword Magazine "This guarantees fans, and those fans will be ready to wield their swords against the Dark Lord in Stanek's next installment." -- VOYA, the leading magazine for YA librarians "Word of mouth turned it into a bestseller. Very satisfying." -- The Fantasy Guide In the Service of Dragons is the continuation of Robert Stanek's multilayered epic fantasy adventure for

young adults that began with Kingdoms and the Elves of the Reaches. Dark change is sweeping over the lands of Ruin Mist. An ancient evil has returned from the dark past, and the dark forces gather. War comes to the lands as the queen of the elves foretold. Though despair abounds and evil seeks to reign, there is hope. Queen Mother sees hope through a union of the divided peoples: an alliance of men and elves to fight against the forces of darkness. But between men and elves there is no love and little trust. Only truth and faith can guide their destinies. In the Kingdoms, old hatreds have returned and a greedy king lusts for power. Prince Valam,

with the help of the elves, saved Great Kingdom from destruction by the mighty forces of King Jarom but not before the city of Alderan was burned to ashes. Now Prince Valam must journey to East Reach, land of the elves, to help save the elves from a war such as never before seen in the lands: a war between elves, a war for the future of the elven kingdoms. Meanwhile, unbeknownst to them all, the early battles for Ruin Mist's future against the coming darkness have already been fought. These battles, won at great cost and by the barest of margins, were meant to divert attention from what Noman, the mysterious Keeper of the

City of the Sky, can only guess at as he works to gather the company he believes holds the key to Ruin Mist's future. Will the kingdoms of men and elves fall? Will the peoples succumb to the darkness? Who will live? Who will die? The answers are in Book Two of In the Service of Dragons.
