As Oprah says on Oprah Daily, "Reading can inspire you to do great things—what a great gift for a preteen! This series features boundary-breaking women and includes stories about some who have moved me the most—like Toni Morrison. They even included me!"

The third installment in the New York Times bestselling Good Night Stories for Rebel Girls series, featuring 100 immigrant women who have shaped, and will continue to shape, our world. Good Night Stories for Rebel Girls: 100 Immigrant Women Who Changed the World is the third book in the New York Times bestselling series for children. Packed with 100 all-new bedtime stories about the lives of incredible female figures from the past and the present, this volume recognizes women who left their birth countries for a multitude of reasons: some for new opportunities, some out of necessity. Readers will whip up a plate with Asma Khan, strategize global affairs alongside Madeleine Albright, venture into business with Rihanna, and many more. All of

these unique, yet relatable stories are accompanied by gorgeous, full-page, full-color portraits, illustrated by female artists from all over the globe. "In our evermore hectic and overwhelming world, Stories for Kids Who Dare to be Different is refreshing proof that dreams do come true and that it is ok to be different. An inspiring read for any young person, particularly those struggling to find their place in the world." Megan Hine _____ Björk, Dr Seuss, Whoopi Goldberg, Andy Warhol, Ellen MacArthur, Greta Gerwig, Andrea Bocelli, Hua Mulan ... these are men and women who all dared to be different. Boys will be boys and girls will be girls - or so the meaningless saying goes. Because what if you're a girl and you like cage fighting? Or you're a boy and you love ballet? And what if you've always dreamed of being a scientist but you can't see anyone who looks or sounds like you, and who has left a legacy - in the form of microscopes and Bunsen burners - for you to follow? This is the book for children who want to know about the lives of those heroes who have led the way, changing the world for the better as they go. Following the runaway success of Stories for Boys Who Dare to be Different, parents asked for a celebration of role models of both genders for boys and girls within the same book. Stories for Kids Who Dare to Be Different is the answer. These are the extraordinary stories of 100 famous and not-so-famous men and women, every single one of them an inspiring pioneer and creative genius in their own way, who broke the mould and made their dreams come true. Like Stories for Boys Who Dare to be Different, this is a beautifully illustrated, evocative and inspirational book of amazing stories of amazing people, that will delight sons and daughters, nephews and nieces, and give them the courage to be themselves. *For tales of even more brilliant people who have dared to be different, STORIES FOR BOYS WHO DARE TO BE DIFFERENT 2 is out now!* A sumptuous feast of a book, Frida allows the reader to enter this revered artist's world, both literally and metaphorically. Through a series of consecutive die-cut pages, one is drawn in - passing through aspects of her life, art and creative process while exploring the themes that inspired her most, such as love, death and maternity. Excerpts from Frida Kahlo's personal diaries alternate with Sebastian Perez's poetic musings to give fresh insight and emotional depth, while Benjamin Lacombe's stunning

artwork masterfully conveys the symbolism and surrealism of her art. Il nuovo volume della serie bestseller internazionale racchiude cento biografie di donne che hanno lasciato il loro paese d'origine per una moltitudine di ragioni diverse: chi per trovare nuove e migliori opportunità, chi per il bisogno di sfuggire a situazioni difficili. I lettori scopriranno le vite di Josephine Baker, ballerina e attivista, di Asma Khan, rinomata chef e di Alice Guy, la prima regista della storia, e ancora la cantante Carmen Miranda, l'eclettica Rihanna, la fumettista Marjane Satrapi e tante altre. Informatiche, chirurghe, musiciste, politiche, campionesse di judo e scacchi: queste figure fuori dal comune ispireranno le bambine - e i bambini - di tutto il mondo a inseguire i propri sogni, oltre ogni confine. Per non smettere di sognare: da qualsiasi posto veniamo, ovunque andiamo. Nine-year-old David is sad and angry - his mother has recently died in a freak accident and now he has to live with his grandmother, as his father is too busy to care for him. Then David meets thirteen-year-old Primrose, who has no dad, and a neglectful and eccentric mother. Together these two damaged children help each other to find what is missing in their lives... C'era una volta... una principessa? Macché! C'era una volta una bambina che voleva andare su Marte. Ce n'era un'altra che diventò la più forte tennista al mondo e un'altra ancora che scoprì la metamorfosi delle farfalle. Da Serena Williams a Malala Yousafzai, da Rita Levi Montalcini a Frida Kahlo, da Margherita Hack a Michelle Obama, sono 100 le donne raccontate in queste pagine e ritratte da 60 illustratrici provenienti da tutto il mondo. Scienziate, pittrici, astron aute, sollevatrici di pesi, musiciste, giudici, chef... Esempi di coraggio, determinazione e generosità per chiunque voglia realizzare i propri sogni. Fairies, dragons, wizards, and more await Geronimo on every magical Kingdom of Fantasy adventure! I, Geronimo Stilton, was called to the Kingdom of Fantasy for the ninth time! Blossom, Queen of the Fairies, had disappeared, along with three powerful magical objects: The Book of a Thousand Spells, the Crystal Sphere, and the Whispering Wand. If those objects ended up in the wrong hands, they could destroy the whole realm! Accompanied by new, magical friends, I had to cross horrifying kingdoms full of spiders and snakes before facing a terrible evil wizard. Squeak! Could I make it in time to save Blossom -- and the

entire Kingdom of Fantasy? An illustrated children's book about coronavirus based on facts, from the co-creator of Good Night Stories for Rebel Girls. Vale la pena raccontare gli scrittori del passato e le loro opere? L'autrice si interroga sui modi in cui, dal XVIII secolo, la cultura è stata divulgata, disseminata, comunicata ai non addetti ai lavori: donne, bambini, lettori che conoscono alcune cose ma non altre. Già da tempo le scienze e la storia hanno saputo diventare "pubbliche", si sono cioè impegnate per condividere le conoscenze e le competenze fuori dal mondo accademico. Anche la cultura umanistica si sta muovendo in tal senso: sugli scaffali delle librerie sono esposti testi enciclopedici che raccontano opere letterarie in pillole e biografie che narrano a un pubblico di tutte le età la vita di donne e uomini memorabili. E tutto ciò con un linguaggio chiaro, semplice, efficace. Così si afferma un nuovo modo di pensare il rapporto tra narrazione e pubblico, con possibilità e limiti indagati in questo volume.

Based on a remarkable true story, *Don't Tell Me You're Afraid* is a moving, inspiring novel of a life lived in hope. Samia Omar grows up in war-torn Somalia, dreaming of being a world-class sprinter. She sleeps with a photo of Mo Farah by her bed and trains hard. After achieving a place on the national team to compete in the Beijing Olympics, she sets her sights on the 2012 games in London. But with the war encroaching on the lives of her family, Samia decides to join her sister and make the treacherous journey to Europe, putting her life and her dreams in the hands of traffickers. In the city of R., nothing bad ever happens, because the residents maintain the status quo at all costs. But the children of R. have had enough. When a new family--two moms and their three kids--arrive just before Christmas, they team up with the local kids on a magical adventure to save Christmas and bring community back to the city of R. A little fox is in a big bad mood, and is worried that its mother won't love it forever. In this beautiful and lyrical picture book we see a clever and resourceful mother prove to her child that a parents love is limitless - no matter what! In this reassuring and warm picture book the hugely talented Debi Gliori manages to treat the familiar subject of childhood worries in a very fresh, original and inventive way. 'this is an instant childhood classic for anyone over the age of three' Independent On Sunday 'the literary equivalent of a big hug' The

THE SENSATIONAL NO.1 BESTSELLER 'The definitive book of the year in our house, for both parents and offspring' Maggie O'Farrell, Guardian Books of the Year 'Absolutely beautiful - get one for yourself and one to inspire a woman in your life' Stylist 'In an ideal world, not only would mothers read this aloud to their daughters, but teachers would read it to schoolboys' Sunday Times What if the princess didn't marry Prince Charming but instead went on to be an astronaut? What if the jealous step sisters were supportive and kind? And what if the queen was the one really in charge of the kingdom? Illustrated by sixty female artists from every corner of the globe, Good Night Stories for Rebel Girls introduces us to one hundred remarkable women and their extraordinary lives, from Ada Lovelace to Malala, Amelia Earhart to Michelle Obama. Empowering, moving and inspirational, these are true fairy tales for heroines who definitely don't need rescuing. The dramatic story of neighbors in a small Danish fishing village who, during the Holocaust, shelter a Jewish family waiting to be ferried to safety in Sweden. It is 1943 in Nazi-occupied Denmark. Anett and her parents are hiding a Jewish woman and her son, Carl, in their cellar until a fishing boat can take them across the sound to neutral Sweden. The soldiers patrolling their street are growing suspicious, so Carl and his mama must make their way to the harbor despite a cloudy sky with no moon to guide them. Worried about their safety, Anett devises a clever and unusual plan for their safe passage to the harbor. Based on a true

story. The original story of Peter Pan. Sometimes a child knows better... **GRACE** Ten-year-old Grace knows that her mum loves her, but her mum loves drugs too. And there's only so long Grace can fend off the 'woman from the county' who is threatening to put her into care. Her only hope is... **BILLY** Grown-man Billy Shine hasn't been out of his apartment for years. People scare him, and the outside world scares him even more. Day in, day out, he lives a perfectly orchestrated silent life within his four walls. Until now. . .

THE PLAN Grace bursts into Billy's life with a loud voice and a brave plan to get her mum clean. And it won't be easy, because they will have to confiscate the one thing her mum holds most dear . . . they will have to kidnap Grace. All the bugs in the blanket are gathering to celebrate Little Fat Bug's birthday. What could a young girl and a penny have in common? They both have enormous dreams! Emma practices tirelessly to become a great diver, but as competition day approaches, her nerves get the better of her, and her confidence begins to wane. When she picks up a penny for good luck, she has no idea that this little copper coin has dreamed of becoming a diver for his entire life! With a lot of hard work, a little luck advice from Dad, and one big wish, Emma and the penny both live their dreams in their own ways. In this humorous story, we learn that anyone can accomplish their dreams, no matter how small they are, if they practice and aren't afraid to jump.

From the world of Good Night Stories for Rebel Girls comes a story based on the exciting real-life adventures of Ada Lovelace, one of the world's first computer programmers. Growing up in nineteenth century London, England, Ada is curious about absolutely everything. She is obsessed with machines and with creatures that fly. She even designs her own flying laboratory! According to her mother, Ada is a bit too wild, so she encourages Ada to study math. At first Ada thinks: Bleh! Who can get excited about a subject without pictures? But she soon falls in love with it. One day she encounters a mysterious machine, and from that moment forward Ada imagines a future full of possibility—one that will eventually inspire the digital age nearly two hundred years later. **Ada Lovelace Cracks the Code** is the story of a pioneer in the computer sciences, and a testament to women's invaluable contributions to STEM throughout history. This historical fiction

chapter book also includes additional text on Ada Lovelace's lasting legacy, as well as educational activities designed to teach simple coding and mathematical concepts. Two sisters and the cousin they grew up with after a

tragedy are summoned home to their family matriarch's inn on the coast of Maine for a shocking announcement. Suddenly, Isabel, June, and Kat are sharing the attic bedroom—and barely speaking. But when innkeeper Lolly asks them to join her and the guests in the parlor for weekly Movie Night—it's Meryl Streep month—they find themselves sharing secrets, talking long into the night . . . and questioning everything they thought they knew about life, love, and one another. Each woman sees her complicated life reflected through the magic of cinema: Isabel's husband is having an affair, and an old pact may keep her from what she wants most . . . June has promised her seven-year-old son that she will somehow find his father, who he's never known . . . and Kat is ambivalent about accepting her lifelong best friend's marriage proposal. Through everything, Lolly has always been there for them, and now Isabel, June, Kat—and Meryl—must be there for her. Finding themselves. Finding each other. Finding a happy ending. A charming portrait of one man's dreams and schemes, by “the greatest Italian writer of the twentieth century” (The Guardian). In this enchanting book of linked stories, Italo Calvino charts the disastrous schemes of an Italian peasant, an unskilled worker in a drab northern industrial city in the 1950s and '60s, struggling to reconcile his old country habits with his current urban life. Marcovaldo has a practiced eye for spotting natural beauty and an unquenchable longing for the unspoiled rural world of his imagination. Much to the continuing puzzlement of his wife, his children, his boss, and his neighbors, he chases his dreams and gives rein to his fantasies, whether it's sleeping in the great outdoors on a park bench, following a stray cat, or trying to catch wasps. Unfortunately, the results are never quite what he anticipates. Spanning from the 1950s to the 1960s, the twenty stories in Marcovaldo are alternately comic and melancholy, farce and fantasy. Throughout, Calvino's unassuming masterpiece “conveys the sensuous, tangible qualities of life” (The New York Times). City of the Sun, written in 1602, is Tommaso Campanella's contribution to the body of literature concerned with utopia, the philosophical search for the perfect society. Campanella's utopia was based on a form of communism in which all possessions, including women and children, were shared by men. The great city was ruled by a spiritual leader named Metaphysic, whom Power, Wisdom, and Love served, overseeing all aspects of the society. Wisdom ensures that the sciences are properly taught, while Love ensures that men and women breed the most perfect children. Those with an interest in philosophy and sociology will find this book an intriguing take on the structure of an ideal society. Italian philosopher and theologian TOMMASO CAMPANELLA (1568-1639) became a monk at the age of fifteen. He was imprisoned for twenty-seven years for conspiring against the Spanish crown, and it was during this time that he wrote his most important works, including *Atheismus triumphatus* (1605) and *Metaphysica* (1609). In the Little People, Big Dreams series, discover the lives of outstanding people from designers and artists to scientists. All of them went on to achieve incredible things, yet all of them began life as a little child with a dream. The book follows Agatha Christie, who taught herself to read at the age of five, on her journey to becoming the most famous crime writer of all time. This inspiring and informative little biography comes with extra facts about Agatha's life at the back.
